

THE CHAMPION CHRONICLE

VOLUME 16

CHAMPION, (Alberta) THURSDAY, July 19, 1934

NUMBER 13

CROP TESTING PLAN

A FIELD DAY of interest to all farmers and others will be held at CHAMPION on Monday, July 23rd, under the auspices of the British America, Northern, National, Midland & Pacific and Seale Elevator Companies, Dominion and Provincial Departments of Agriculture and Western Universities.

Competent officials representing the above institutions will demonstrate plots of different varieties of Wheat, Oats and barley, and as well other interesting field experiments.

There will also be explained the CROP TESTING PLAN under which Crop Improvement scheme plots will be found growing representing some 400 farmers' fields of Wheat now being produced in this district.

All are cordially invited to attend—an interesting and instructive day is assured.

Field Day Champion on July 30th

Marketing Conference and Co-operative Institute

WILL BE HELD AT

School of Agriculture, OLDS

JULY 24, 25, 26

Addresses and discussions respecting new federal marketing legislation and various phases of co-operative activity in Alberta. Eminent authorities on these subjects will be present. All interested invited to attend.

Old Timer Passes in P. O. Sommers

The death of Peter Obad Sommers, which occurred at his home in Champion on Wednesday, July 18th, removes another oldtimer from this district. The deceased, who was in his 83rd year, homesteaded west of Champion in 1905 and has resided here continuously since. He was taken ill about four weeks ago and from this illness he never completely rallied and his final demise was not unexpected.

The late Mr. Sommers was born in Lorraine Ill. in 1851, and on December 25th, 1879 he married Miss Sarah Deitz, at Geneseo Ill. For several years following this Mr. Sommers was a merchant in Western Kansas and in 1905 he moved with his family to this district. During his long residence here he had made hosts of friends who will mourn his removal.

He leaves to mourn his loss his widow Sarah, two daughters, Mrs. Louis Miller, Chumpton, Mrs. J. Turner, Greencourt, Alberta, two sons, O. E. Sommers, Champion and D. D. Sommers, Vancouver; a brother Ed. Sommers, Geneseo, Ill. and thirteen grandchildren. Funeral arrangements are in charge of Snodgrass of High River.

E. F. Crawford Dies Suddenly

A prominent farmer and long time resident of this district passed away on Saturday morning, July 14th, in the person of Elton Fernando Crawford. Deceased had been around on Friday in apparently his usual health and his death early Saturday morning came as a great shock to the community.

Deceased was born in Faversham, Ontario on December 11th 1873, and was consequently in his 61st year. The late Mr. Crawford resided in Prince Albert 40 years ago, later moving to B.C. In 1909, he homesteaded a few miles west of Champion, and was a master of Champion Lodge No. 84, A.F. & A.M. He had been a mason for forty years. While of a decidedly quiet disposition he still made many friends all of whom he retained. He was one of the in a successful farmers of the district and his removal will be the cause of widespread and lasting regret.

He is survived by his widow, Nettie; and one son, Donald; two stepdaughters, Mrs. N. Cochran, Staveland, Mrs. P. G. Honeywell, Lake; four sisters, Mrs. D. McNeven, Yellowgrass, Sask.; Mrs. D. Sinclair, Weyburn, Sask.; Mrs. McGookin, Outlook, Sask.; and Mrs. E. Sinclair, Chilliwick, B.C. His mother, Mrs. Mary Crawford, resides in Calgary.

Funeral services were held Tuesday afternoon at 2 o'clock in the Champion community hall. Graveside services were held at Nanton and were conducted by the masonic lodge. Visiting masons and friends were present from Nanton and Cayley. Snodgrass funeral home was in charge.

The 1934 wheat crop of the United States will be about 100 million bushels short of domestic requirements, according to an estimate today by the Department of agriculture at Washington last week. The department predicts the world wheat supply for 1934 1935 will be about 300 million bushels less than that of the previous year.

J. S. Collins New Councillor

A fairly attended meeting of the ratepayers of the Village of Champion elected John Collins as councillor to fill the vacancy created by the resignation of Mr. Gill.

A number of public questions received attention. It was decided that the council should submit a by-law to the village electorate in the matter of remuneration for their services, instead of just the honor. The meeting was in favor of the payment of such remuneration by a vote in proportion of 2 to 1. Some discussions also arose about the purchase of more hose for the fire apparatus.

The report of McManuel Bros., chartered accountants, called in on the demise of the late village clerk, to investigate the village accounts for the year 1932 and 1933 showed a shortage of \$552.00 which sum has been paid back by the bonding company, thanks to the prompt action by the village fathers for getting in their claim in time and in a proper legal manner.

During the course of the evening members of the council complained they had to bear unjust criticism of their official actions, mostly by persons not on the assessment roll, and the lack of interest by those who should appreciate what the council board are doing. All in all it would appear the lot of a councillor is not always what it should be, and they are more to be pitied than censured.

Blackie Takes 11 Inning Ball Game

Blackie played baseball at Champion over the week end and took the long end of an 8-1 score. The score does not indicate the baseball played as it was very good.

In the fourth inning a long two base hit by Mathew scored two runs for Champion. Blackie did not score until the 8th, when they run in two runs. In the ninth each team scored two runs making extra innings necessary.

The 10th was scoreless but the 11th inning was hard on Champion. Blackie scored 4 runs when Champion had tough breaks. This was the final score.

The Little Bow Constituency of the Alberta Women's Institute will hold their annual conference in Wilcox hall, Barons on Thursday July 26th commencing at 10.00 A.M. Addresses will be given by prominent members of the W. I. and special numbers will be contributed by Barons and Garden Prairie entertainers. The visitors will be guests of the Barons and Garden Prairie branches at afternoon tea.

The annual short course for school fair winners is now being held at the school of agriculture at Olds. This week 83 from Southern Alberta points are at the school, and next week 82 from Central and Northern points will be brought in. The course is held under the direction of the provincial department of agriculture. Four scholarships will be awarded during the course in the regular term of the school of agriculture.

NICHOLS & SHEPARD (Oliver)
JOHN DEERE

For THESHERS

I. H. C. (McCormick-Deering)
J. I. CASE AVERY
NICHOLAS & SHEPARD (Oliver)

For two generations farmers and custom threshermen
 have marveled at the unmatched toughness and durability
 of AVERY cylinder teeth on AVERY threshers. Now for
 the first time AVERY makes teeth to fit all the above
 machines. And they're made so accurately that they save
 bushels of grain on every run.

The AVERY Company is making these teeth because farmers and
 threshermen everywhere have asked them to make teeth for other
 makes of machines. They are of the same high quality material, and
 made in the same way as the famous AVERY teeth.

AVERY teeth will fit. They will last longer. They will thresh more
 bushels. And they use less power. Replace now with AVERY teeth.
